Biotechnology Centre, Faculty of Pharmacy, Cairo University
Kasr Al-Aini St., Cairo 11562, Building A, 6th floor
0197220064 – www.pharma.cu.edu.eg
Biotechnology has increasing impacts and unique potential in our daily life. Tremendous applications of biotechnology are currently covering almost every field. Moreover, during the 21st century applications related to medical and environmental sectors had the highest impact of the added value from biotechnology. In this regard this workshop is in collaboration between the Biotechnology Centre, Faculty of Pharmacy, Cairo University, Egypt and the Biotechnology Department, Lund University, Sweden. The main goal of the workshop is to introduce the up to date relevant applications and research in the biotechnology

Venue:
- Faculty of Pharmacy, Cairo University – (Kasr El-Aini St., Cairo 11562, Egypt)
- Further information regarding address and how to reach is available at: http://www.pharma.cu.edu.eg/Images/FMap/FMap_Google.htm

Key dates
Deadline for registration is 20th November 2010

Registration fee
The registration should be done no later than 20th November 2010 at the biotechnology centre, Faculty of Pharmacy, Cairo University:
